erty Enlightening the World, Complaint is made that in the matthen come into her own again,

fore he leaps it would seem that Mina another above his books and he would Garcaes is some shakes of a state.

The blood of the humane man boils when he reads that the late Frank Work, of New York, so far forgot the obligation of tender pareuthood as to limit the allowance of the daughter who displeased him to \$80,000 a year.

WOMEN OF WEALTH AT WORK tinds her greatest pleasure in raning here today in the case of Lee Salvers, her automobiles for hire and thinks n is a "great lark" It is well for Long at Mt. Vernon, Ind., last July, weman to prove she can do good got on his knees and begged the jury work by way of showing her fitness to hang Salvers." for the ballot and other duties too. What a sad commentary on the numerous to mention, but why should Christian age in which we live? a woman of wealth and presumable | There might be some justification education and culture choose to do for a prayer offered up as a plea of work as a pleasure which means a mercy for some wayward woman or Ryelfhood to the poor and unlearned some pitiable object of a man whose automobile running for hire in a but it is nothing short of biasphemy city is sometimes called upon to car- that a lawyer should on bended ry society men bone who might be knees implore the Most High to put pained or embarrassed to find that it into the hearts and consciences of the driver had been dining with his purors to nd a verdict which would wife the evening before; perhaps it mean the taking of a fellow mortal's is the opportunity to learn such facts life. In this enlightened era the teaoutside of her world that furnishes dency of mankind is away from, raththe best amusement to this society c. than toward, capital punishment. woman-in that case, what is she the latter cannot be refined or rebut a spy upon her patrons?

It was said long ago that the rich anything other than murder, no matwoman who furnish literature of a ter if the law does sanction it. certain sort to the magazines merely for the pleasure of seeing their own the fiver feelings wherewith persons names in tables of contents had tak- no culture and intelligence are onen the bread from the mouths of some men and other women who dowed as to pray for the taking of a went hungry for the lack of it, but fession and a discord in the grand are we to understand that the indus-diapason of humanity, try of these society dames and buds is to push them into other lines of business? There can be no possible 0 000 0000 0000 0000 objection when a woman who needs o the money qualifies herself to serve o and earns it even though a man lose his job because of her proficiency 0000000000000000 but what of the woman who deprives others of bread merely that she may

If the woman of money and education desires to go into business why Pa paid six dollars for a hat; ma does she not enter into competition with men bringing the same advantages to bear? If this same Chicago woman bought a number of automobiles, hime drivers and contented herself with running the business there could be no objection because her success would be won against fit competitors. But when she drenses divinely" and keeps an expensive automobile in spick-and-span condition to drive a poor man from a job she is out of her sphere -not her phore an woman but her sphere in

FEMININE ROMANCE.

rector who recently resigned his views of St. Paul regarding church grievances (arnished the local press this retiring elergyman places the And here you go and waste the cash feminine influence high on the list. He says there are good men on the vestry board of the church, but they can only do what the women deem best, certainly a discouraging state But here we live from hand to of affairs for a rector who is called upon to deal directly with his church I must deay myself the things I often

officers. It may be this handlens that has proceed further rancor in the ministerial breast. He deprecates the fact Six dollars merely thrown away! It that some members of the congregation entered the flock in order to Six dollars for a hat! Enough to buy raisectacirs social plane, and he speaks "disparagingly of the aristo charge, In apport, he takes like a man with a carefully sursuggerave

Anyway, there is nothing alarming in the charge of feminine influence in church affalls. It is some thing we have all anspected. Conse quently we must not the distriuntled Ma left the room and we could see preacher down as an individual who unhappily lacks the diplomatic gen She's worried over pa and thinks his of conforming to conditions over which he could exercise no control.

A MUSICAL CHIEF JUSTICE lateresting light is thrown upon the personality of the new chief jussee by the discovery that he is an Published daily from The Leader accomplished manist. Thought niwage building West Harrison Avenue, and known as a man of enriched and velv uniered at the Guthrie postoffice as satile taste; dustice White was not until recently suspected of being a maker as well as a lover of music
